Company and Contractor/Subcontractor shall negotiate the terms of compensation for any additional Services required by Company if such additional Services require substantially more time, effort, or expense by Contractor. Contractor is responsible for determining the method and means of performing the Services, subject to the parameters, specifications, objectives, and timeline given by Company. Contractor/Subcontractor acknowledges that by virtue of Contractor's position and responsibilities, Contractor/Subcontractor will have fiduciary duties to Company and a duty of loyalty to Company and will, at all times, act in a manner consistent with these duties and abide by Company's reasonable rules, regulations, instructions, and directions.

5. Extent of Services. During this Agreement, Contractor/Subcontractor shall devote his or her time, energy, and attention to the benefit and business of Company as may be reasonably necessary in performing the Services pursuant to this Agreement. With the exception of passive investments and ownership interests that require little to no time and attention, Contractor/Subcontractor is prohibited from engaging directly or indirectly in any other business activity outside of Contractor's duties to Company regardless of whether or not an activity is pursued for gain or profit. Nothing in this Agreement shall be construed as limiting Contractor's right to invest his or her money in real estate, stocks, or other such investments requiring limited maintenance and that do not take any significant amount of Contractor's/Subcontractor's time, energy, and attention away from Contractor's duties to Company.

6. Relationship of the Parties. Contractor/Subcontractor is an independent contractor, not Company's employee, and nothing in this Agreement shall create an employment, agency, joint venture, or partnership relationship between the Parties. In addition, nothing in this Agreement shall require the Parties to provide one another with confidential information or trade secrets (as defined below) in their respective possession.

7. No Authority. Unless Company otherwise gives its prior written authorization, Contractor/Subcontractor shall have no authority to act as agent for Company, to represent Company, or bind Company in any manner.

8. Subcontractors. Without prior written consent from Company, Contractor/Subcontractor may not use subcontractors to perform the Services--such consent not to be unreasonably withheld by Company.

9. Termination - WILL BE BASED ON YOUR WORK PERFORMANCE

a. At-Will Contractor. Contractor/Subcontractor is an at-will contractor and, as such, either Party may terminate this Agreement at any time, with or without cause, by providing the required notice. This Agreement shall also terminate as follows: (i) upon the death of Contractor/Subcontractor; (ii) upon Company dissolving, becoming insolvent, filing bankruptcy, or ceasing all business operations; or (iii) sale of the business of either Party.

b. Notice Required. Where this Agreement is terminated due to Contractor/Subcontractor breaching a provision of this Agreement or other just cause, Company may terminate this Agreement at any time, with or without notice, as permitted by applicable law. Otherwise, Contractor/Subcontractor must give 2 weeks prior written notice, and Company must give no prior written notice, of intent to terminate this Agreement without cause. If any minimum notice required by law under the circumstances is greater than the notice required under this paragraph, notice will be provided in accordance with such applicable law.

c. Exit Interview. If Company so chooses, Contractor/Subcontractor will be required to conduct an exit interview and/or write an exit memorandum upon termination of this Agreement.

10. Obligation of Confidentiality

a. Confidential Information. "Confidential Information" means any and all information which is possessed by or developed for Company and which relates to Company's existing or potential business or technology, which information is generally not known to the public, and which information Company seeks to protect from disclosure to its existing or potential competitors or others, and includes, without limitation, for example: business plans, business strategies, business know-how and techniques, marketing plans, and the identities and business preferences of current or prospective customers or vendors. Confidential Information also includes information received by Company from others that Company has an obligation to treat as confidential. Confidential Information includes information and documents whether or not they are marked "confidential" or carry any other marks or designations.

b. Trade Secrets. "Trade Secrets" means all information possessed by or developed for Company, including, without limitation, a compilation, program, device, method, system, technique, formula, pattern, or process to which all of the following apply: (i) the information derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use, and (ii) the information is the subject of efforts to maintain its secrecy that are reasonable under the circumstances.

c. Non-Disclosure. Except as required in the conduct of Company's business or as expressly authorized in writing on behalf of Company, during this Agreement Contractor/Subcontractor shall not use or disclose, directly or indirectly, any Confidential Information or Trade Secrets to any unauthorized third parties. This obligation of non-disclosure shall continue after the termination of this Agreement indefinitely or for the maximum amount of time permitted by applicable law. This prohibition does not apply to Confidential Information after it has become generally known in the industry in which the Company conducts its business. This prohibition also does not prohibit Contractor's use of general skills and know-how acquired during and prior to this Agreement, as long as such use does not involve the use or disclosure of Confidential Information or Trade Secrets. Finally, Contractor/Subcontractor will not disclose to Company, use in Company's business, or cause Company to use, any Confidential Information or Trade Secrets belonging to others. These restrictions apply to all Confidential Information and Trade Secrets regardless of the format (hard copy, electronic, or otherwise) or location in which they are created or maintained, including, but not limited to, all computers that Contractor may

possess or have access to in or away from Company's offices.

d. Reverse Engineering. At no time during or after this Agreement is in effect may Contractor/Subcontractor directly or indirectly attempt to reverse engineer, reconstruct, or independently derive any of Confidential Information or Trade Secrets.

e. Exceptions. This Agreement shall not prohibit any disclosure that is required by law or court order, provided that Contractor/Subcontractor has not intentionally taken actions to trigger such required disclosure and, so long as not prohibited by any applicable law or regulation, Company is given reasonable prior notice and an opportunity to contest or minimize such disclosure. The same provisions shall not prevent Contractor's disclosure of Confidential Information or Trade Secrets in the event Company has given Contractor/Subcontractor express prior-written permission to do so. This Agreement does not prohibit disclosure of Confidential Information or Trade Secrets after they have become generally known in the industry in which Company conducts its business or prohibit Contractor's use of general skills and know-how acquired during and prior to this Agreement, as long as such use does not involve the disclosure of Confidential Information or Trade Secrets.

f. Irreparable Harm. Contractor/Subcontractor acknowledges that Company engages in a competitive business and has or will expend significant sums of money and time to develop and use its Confidential Information and Trade Secrets. Contractor/Subcontractor further acknowledges that company would suffer irreparable harm, loss, and damage if its Confidential Information and Trade Secrets were disclosed to a non-Party.

11. Work Product. To the extent not contrary to applicable state law, Contractor/Subcontractor acknowledges and agrees that any and all inventions; discoveries; improvements; trademarks; copyrightable work, including any social media contacts obtained for or on behalf of Company, or other intellectual property created, produced, designed, or developed, in whole or in part, individually or jointly with others, during this Agreement, which are directly or indirectly within the scope of Company's past, current, or planned future operations, are Company's exclusive property, and shall be immediately disclosed and assigned to Company. Contractor/Subcontractor further agrees that any and all such applicable items are works made for hire for Company within the definition of Section 101 of Title 17 of the United States Code, or any successor provision, and any corresponding state law provisions. To the extent the above-described intellectual property is not considered a work made for hire under the applicable law, Contractor/Subcontractor agrees to, without further consideration, assign to Company

all right, title, and interest in such intellectual property and assist Company in every way, including waiving any moral rights that Contractor may obtain, at Company's expense, to secure, maintain, and defend for Company's benefit, copyrights and any extensions and renewals thereof on any and all such work including translations thereof in any and all countries, such work to be and remain the property of Company whether copyrighted or not. Contractor's above obligations to Company shall be continuous and ongoing and shall survive the termination of this Agreement. The provisions of this paragraph shall apply in all cases except where Contractor receives Company's express prior written consent otherwise or if prevented by applicable law.

12. Return of Company Property. Upon termination of this Agreement, for any reason, or at any other time that Company may so request, Contractor shall immediately deliver to Company all company and/or client property and/or information, including, but not limited to, all equipment, scanners, telephones, gps, tablets, credit cards, keys, software, manuals, passwords, financial and tax documents, memoranda, letters, files, records, papers, notes, lists, computer programs, reports, books, uniforms and all other documents (and all copies thereof) in Contractor's/Subcontractor's possession, custody, and/or control.

13. Arbitration. The Parties acknowledge and agree that they are bound by their arbitration obligations under Exhibit A, attached hereto and incorporated herein by reference, which the Parties agree to execute contemporaneously with this Agreement.

14. No Conflict. Contractor/Subcontractor represents and warrants that the execution of this Agreement by Contractor and the performance of Contractor's obligations here under will not conflict with, result in the breach of any provision of or the termination of, or constitute a default under any agreement to which Contractor is a party or by which Contractor is or may be bound. If, at any time, Contractor/Subcontractor discovers he or she has or may have any outside business relationships or activities that conflict with Company's best interests, then Contractor shall immediately disclose the conflict or potential conflict to Company.

15. Indemnification. Contractor/Subcontractor must indemnify and hold harmless Company, along with its officers, directors, employees, and agents, against all claims, liabilities, losses, costs, and all other legal and non-legal expenses, including without limitation reasonable attorney's fees and costs and insurance deductibles arising directly or indirectly from (a) Contractor's breach of any provision of this Agreement or (b) the negligent, grossly negligent, or intentional act or omission of Contractor/Subcontractor or any of Contractor's directors, officers, employees, or agents that causes any type of damage to Company.

16. Equitable Relief and Remedies. Contractor/Subcontractor acknowledges that any breach of this Agreement will cause substantial and irreparable harm to Company for which money damages would be an inadequate remedy. Accordingly, Company shall in any such event be entitled to seek injunction and other forms of equitable relief to prevent such breach and the prevailing Party shall be entitled to recover from the other, the prevailing Party's losses, damages, and costs, including, without limitation, reasonable attorney's fees and costs, incurred in connection with enforcing this Agreement, in addition to any other rights or remedies available at law, in equity, or by statute.

17. Non-Exclusivity of Remedies. The enumeration herein of specific remedies shall not be exclusive of any other remedies. Any delay or failure by Company to exercise any right, power, remedy, or privilege herein contained, or now or hereafter existing under any applicable statute or law, shall not be construed to be a waiver of such right, power, remedy, or privilege. Company's waiver of a breach of any provision of this Agreement by Contractor/Subcontractor shall not be considered as a waiver of rights with respect to any subsequent breach by Contractor/Subcontractor.

18. Severability. The Parties have attempted to limit the non-disclosure, and non-solicitation provisions so that they apply only to the extent reasonably necessary to protect legitimate business and property interests. If any provision of this Agreement shall be held to be invalid or unenforceable for any reason, that provision shall be considered removed from this Agreement, and the remaining provisions shall continue to be valid and enforceable according to the intentions of the Parties. However, if a court or arbitration panel finds that any provision of this Agreement is invalid or unenforceable as currently written, but that by rewriting or limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as is necessary to further the intent of the Parties to the maximum extent permitted by law.

19. Binding Effect; Assignment. The rights and obligations of Company under this Agreement shall inure to the benefit of and shall be binding upon the successors and assigns of Company. This Agreement is a personal services contract and the rights, obligations, and interests of Contractor/Subcontractor hereunder may not be sold, assigned, transferred, pledged, or hypothecated.

20. Entire Agreement. This Agreement contains the entire agreement and supersedes all prior agreements and understandings, oral or written, with respect to the subject matter hereof. This

Agreement may be changed only by an agreement in writing signed by the Party against whom any waiver, change, amendment, modification, or discharge is sought.

21. Time of Essence. Time is of the essence in this Agreement.

22. Headings. Headings for the paragraphs herein are for convenience only and shall not be construed in interpreting this Agreement.

23. Construction. Words and terms in this Agreement shall be construed in both the feminine and masculine, where applicable, and both single and plural, where applicable.

24. Governing Law and Venue. To the extent not inconsistent with applicable law, Contractor/ Subcontractor acknowledges and agrees that this Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

25. Counterparts; Electronic Signature. This Agreement may be executed in counterparts, including by fax, email, or other facsimile, each an original but all considered part of one Agreement. Electronic signatures placed upon counterparts of this Agreement by a Party or their approved agent shall be considered valid representations of that Party's signature.
